

PARTNER WITH THE WREAKIN' HAVOC CREW

Wreakin Havoc is a premier hunting, fishing, and boating brand, built on adventure, thrill, and unparalleled passion for the outdoors. Through our series, we bring together a team of experts, outdoorsmen, and enthusiasts to provide high-energy, action-packed content across multiple platforms.

OUR TEAM MEMBERS INCLUDE

TIM SCOTT
OWNER - HAVOC BOATS

Tim Scott is the visionary founder of Havoc Boats, an acclaimed aluminum boat manufacturer based in Fordyce, Arkansas. With over 20 years of experience in the industry, Tim, alongside his wife Ashley, has dedicated his career to designing and crafting top-quality boats renowned for their performance, durability, and innovation. His leadership has propelled Havoc Boats to the forefront of the aluminum duck boat and fishing boat market, earning a reputation for exceptional craftsmanship and unwavering customer service. Known for his hands-on approach, Tim has been praised for personally engaging with customers—offering support, providing exact measurements, and even fixing boats he didn't build—demonstrating his commitment to the boating community. Under his guidance, Havoc Boats has fostered a passionate team and a loyal following, solidifying its place as a leader in the industry.

B SCOTT
GM - HAVOC BOATS

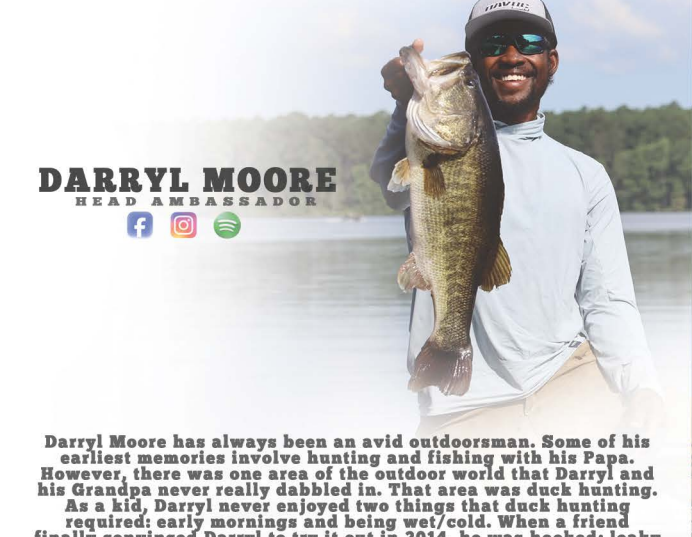

Brandon "B" Scott is the son of Tim Scott, the renowned founder of Havoc Boats, an aluminum boat manufacturer based in Fordyce, Arkansas. B Scott is prominently associated with his family's business, B has also carved out his own niche within the Havoc Boats legacy by hosting "Off the Clock with B Scott," a podcast launched by the company that blends entertainment with insightful conversations on topics ranging from outdoor pursuits to industry insights, featuring guests like congressmen, industry professionals and world champion athletes. Growing up in the shadow of his father's innovative leadership and hands-on dedication to the boating community, B Scott embodies the next generation of the Scott family's commitment to craftsmanship and customer engagement, contributing to the brand's reputation as a leader in the aluminum boat industry.

TYLER STEWART
PRO-STAFF

Tyler resides in north Louisiana with his wife and two labrador retrievers. As a product of the motocross industry, he thrives in high energy, adrenaline driven activities. Growing up in the Sportman's Paradise, Tyler takes advantage of any outdoor sport he can participate in. His passion for the outdoors began early when he killed his first buck at 4 years old. At the age of 8, he caught his first 5 lb largemouth bass. After a career ending motocross accident in 2010, Tyler pursued fishing more seriously, competing in both high school and college level tournaments, thus earning his current spot in the MLF Invitational. When he's not bass fishing at Caney Lake, Tyler is hunting, playing golf, or attending a Monster Energy event. What Tyler loves most about the outdoors industry is the partnerships and relationships he has created along his journey. He is blessed with "sponsors" that become friends and family who share his love for the outdoors.

DARRYL MOORE
HEAD AMBASSADOR

Darryl Moore has always been an avid outdoorsman. Some of his earliest memories involve hunting and fishing with his Papa. However, there was one area of the outdoor world that Darryl and his Grandpa never really dabbled in. That area was duck hunting. As a kid, Darryl never enjoyed two things that duck hunting required: early mornings and being wet/cold. When a friend finally convinced Darryl to try it out in 2014, he was hooked; leaky waders and all. Early mornings and freezing cold temperatures in flooded timber didn't seem so bad after all. In a split second, Darryl was in love with a sport that he once thought he'd never enjoy. (Never turn down trying new things!) He has made up for lost time by continuously studying the sport, and by going all 60 days of the season for years. As a dad of three boys, his biggest desire is to keep the love for the outdoors going through his legacy. Darryl admires a lot about the outdoors that he hopes to pass down to his sons: the fellowship, the memories, and the opportunities that have come from his success in the outdoor industry. However, the thing that Darryl admires most about the outdoors is how he has always felt a strong connection to God in the beauty of all that He created. Darryl hopes that people would be drawn to love the outdoors as they follow his journey as an outdoorsman.

MICHAEL SHOCKLEE
SETUP SPECIALIST

Michael Shocklee is a seasoned motor setup specialist at Havoc Boats, where he uses his extensive knowledge and expertise to optimize performance for boat owners. With years of experience in the world of high-performance racing, Michael has earned a reputation for his success in both sanctioned duck boat events and the adrenaline-packed world of sandbar racing. His passion for motorsports is matched only by his love for the outdoors. A dedicated hunter, Michael enjoys spending his free time hunting deer, turkey, and duck, and is always ready for the next adventure. Whether it's fine-tuning an engine or chasing game, Michael brings a level of precision and commitment to everything he does.

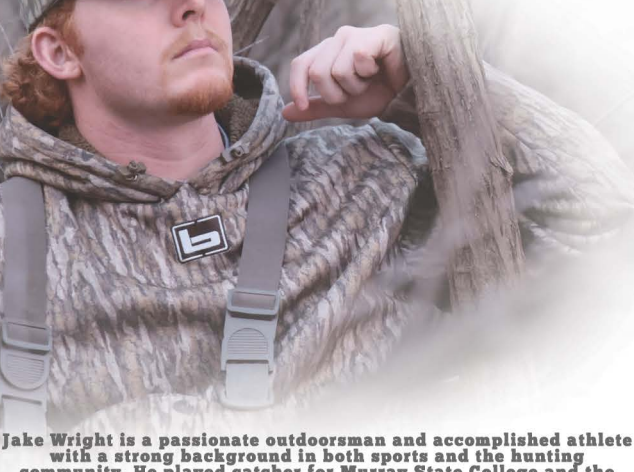

GRAYSON FAIR
PROSTAFF

Raised around anything that goes fast, Grayson has always had a heavy mind for twisting throttles and going fast. Grayson started racing motocross when he was 3 years old which has led him to being a professional and turning pro 16 years later in 2024. Having a passion for shooting ducks back pedaling in the hole and being an adrenaline junkie is what landed him a spot on the crew. "I could race to the hole and go home and be just fine with that" - G. Grayson will play a big role this coming year racing for havoc, whether it's your local sandbar or weekend races. Along with that he'll be hunting from the bayou of LA to as far up as Canada and filming bada\$\$ content along the way.

JAKE WRIGHT
DEALER RELATIONS

Jake Wright is a passionate outdoorsman and accomplished athlete with a strong background in both sports and the hunting community. He played catcher for Murray State College and the University of Arkansas Little Rock, honing his discipline, teamwork, and leadership on the field. A lifelong enthusiast of the outdoors, Jake has a deep love for duck hunting and fishing, which has shaped much of his personal and professional life. Today, he works for Havoc Boats, where he serves as the face of the brand for all their dealers. With his wealth of experience as a seasoned hunter and fisherman, Jake brings unparalleled passion and expertise to the Wreakin' Havoc Crew. Jake's combination of athleticism, hunting expertise, and commitment to the outdoors makes him a standout figure in the community, and he is proud to represent Havoc Boats in his continued pursuit of adventure and conservation.

CODY FINCHER
PROSTAFF

Raised around farming, Cody has spent his entire life outdoors. Spending countless hours on the tractor growing up, Cody had many wildlife encounters that ignited an interest in learning their lifestyles, patterns, and behaviors. Cody began deer hunting at a young age with his dad and grandparents on their family property, and at the age of 9, he killed his first buck with a bow. Although Cody enjoys hunting all game, deer hunting, especially with a bow, is where his true passion lies. Cody's love for hunting and the conservation necessary to keep the sport alive is evident year-round. What he loves most about hunting is the relationships he has made through the sport. Linked by their love for the outdoors, he has developed life-long friendships across the country. Even though Cody calls northeast Arkansas home, he won't miss an opportunity to travel if it means he gets to spend more time with nature and have the potential to come home with a trophy.

These individuals are the faces of Wreakin' Havoc and they're all passionate about creating top-tier, entertaining content. Their combined expertise covers hunting, fishing, boat racing, and outdoor adventure, reaching millions of viewers every month.

When you team up with Wreakin' Havoc, you're aligning with a dynamic and growing audience. Our brand provides incredible exposure across several high-traffic platforms.
